Solemn Recognition of Mixed War Against a Peaceful American A Declaration of Independence

51
100A

i, Thomas-Frederick of the Rogers family am a peaceful American born, standing, and living on American soil. i am a spirit of the Source Creator currently experiencing life as a man that holds to the self-evident Truths that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness.

It is an established fact that the United States and its agencies and subdivisions through belligerent actions have taken over the de jure governments of the American People at all levels in a foreign de facto occupation subject to the Hague Conventions, Geneva Conventions, Universal Declaration of Human Rights, and the International Covenant on Civil and Political Rights. The Life, Liberty, Freedom, private Property and the local American Law must be observed. There has, however been a long Train of Abuses and Usurpations, pursuing invariably the same Object, to evince a Design to reduce i under absolute Despotism.

The history of the current men and women of the United States and its various corporate de facto agencies is a History of repeated Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tyranny over me. To prove this, let Facts be submitted to a candid World:

- They have repeatedly forced me to submit to their authority under threat of violence, kidnapping, extortion, and human trafficking;
- They have repeatedly forced me to accept and involuntarily submit to their United States person in violation of International Law;
- They have refused to assent to their own laws or the laws of the American People;
- They have consistently remained in dishonor through silence;
- They have consistently denied i the right to confront my accuser;
- They have repeatedly denied me the Benefits of Trial by jury;
- They have obstructed the Administration of Justice, by refusing their Assent to Laws for establishing American

Rogers, Thomas Frederick
